Orientation	Orientation will be conducted at commencement of training.		
Vocational Placement	No, not required.		
Approximate Fees and Other Costs	<i>Fees indicated are approximate and should be used as a guide only. Fees may alter due to program changes, CPI increases or other reasons. Exact fees can be supplied at the time of enrolment. As some programs are subsidised by the Queensland Government for Queensland Residents, fees may vary for Non-Queensland residents. Please inform our Customer Care Officers if you are a Non-Queensland Resident.</i> Full Fee: \$99.00 No Concession rate available.		
Other Information	DO I NEED TO HAVE A CURRENT FIREARMS PERMIT TO COMPLETE THIS TRAINING? Yes, you will need to have a current Security Licence (Guard) (Firearms Permit) prior to enrolling in this program.		
Important Information	Please note: Information is correct at time of creation but may change without notice. Program commencement may be contingent on minimum enrolment numbers being achieved. WideBay TAFE regularly updates programs to ensure the latest training package is offered. In doing so, some programs may be in the process of registration. Registration will be sought for the new National Training Package qualifications when they become available, at which time students will be transitioned to the new program as soon as it is feasible.		
Recognition of Prior Learning	This means your existing knowledge, skills and/or training may be formally recognised and/or taken into account when you study our programs. Please contact customer care for further details.
