

Queensland Certificate of Education

Are you tired of hanging around school waiting for life to happen? You can start your career in Year 11 and still get your Queensland Certificate of Education (QCE).

At our Hervey Bay Campus you can complete your formal schooling while studying vocational subjects, giving you a flying start in your chosen career. Our vocational pathways can lead to increased work possibilities, traineeships and apprenticeships and may also provides a pathway to further tertiary studies.

Start Your Career Now - Sweet!

The advantages of completing your QCE at WideBay TAFE are:

- a vocational certificate or may even fast track you through a diploma
- an industry release program giving students real life experience
- a work readiness/employability program helping you to 'get that job' when you finish your QCE
- choice of Queensland Studies Authority (QSA) subjects to compliment your chosen pathway
